- 7. Export Regulations.** By downloading, you acknowledge that the laws and regulations of the United States, including the U.S. Export Administration Act and its associated regulations, restrict the export and re-export of the Software, including technical data. The Software, including technical data, may also be subject to export or import regulations in other countries. Further, you agree that you will not export, import, or re-export the Software or media in any form without the appropriate United States and foreign government approval(s).

- 8. U.S. Government Restricted Rights.** If the Software is acquired under the terms of a GSA contract, use, reproduction or disclosure is subject to the restrictions set forth in the applicable contract. If the Software is acquired under the terms of a DoD or civilian agency contract, use, duplication or disclosure by the Government is subject to the restrictions of this License in accordance with 48 C.F.R. 12.212 of the Federal Acquisition Regulations and its successors and 48 C.F.R. 227.7202-1 of the DoD FAR Supplement and its successors.
- 9. Consent to Use of Data.** ThreatMate Inc may collect and use technical information you provide in relation to your installation and use of the Software or the provision of support services related to the Software. All such information will be subject to ThreatMate Inc's privacy policy.
- 10. Third Party Works.** To the extent that any third party's intellectual property is incorporated within the Software, you agree that such third party is a third-party beneficiary of the terms of this License to the extent of the third party's license to ThreatMate Inc.
- 11. Evaluation Support.** You will install and use the Software in accordance with the specifications provided by Licensor. You agree to cooperate and consult with Licensor in your evaluation of the Software, including your evaluation of its features, performance, functionality and usability. You will provide oral or written evaluations of the Software to Licensor at Licensor's request. You hereby assign and will assign to Licensor all rights and title in the evaluations and the subject matter of the evaluations, including, but not limited to, all patents, copyrights, trade secrets or other intellectual property rights in or covering the evaluations and the subject matter of the evaluations. Upon Licensor's request, you will provide Licensor with access to your computers to observe your use and evaluation of the Software. You understand that you are exclusively responsible for the supervision, management and control of your computer systems and network and the use of the Software, including but not limited to: (a) assuring proper machine configuration, program installation, audit controls and operating methods, (b) establishing adequate backup plans, (c) implementing sufficient procedures to satisfy your requirements for security and accuracy of input and output as well as restart and recovery in the event of a malfunction; and (d) detecting unauthorized access and viruses and preventing any loss or damage to data or other software.
- 12. General.** You agree this is the complete agreement concerning this License and the Software. In order to amend this License, a writing executed by both parties is required. You assume full responsibility for the legal and responsible use of the Software. This License shall be governed by Delaware law as such law applies to agreements between Delaware residents entered into and to be performed within Delaware, except as

governed by federal law. Should any provision of this License be declared unenforceable in any jurisdiction, then such provision shall be deemed to be severable from this License and shall not affect the remainder hereof. All rights in the Software not specifically granted in this License are reserved by ThreatMate Inc.

**13. Related Software.** You are responsible for providing any commercially available software, equipment, or services that are required to operate this Software.
